Please see below the NSERC Privac concerns about this, please contact dfp-adm	uired to submit to NSERC in nd the financial support the y Notice regarding the data	clude information on all DFP y have received from this
CREATE Program NSERC Privacy Notice This is to inform you that NSERC requires CRI personal information from trainees, team me individuals participating in the CREATE progr statistics that enables NSERC to report on the that is needed will be requested. The person accordance with the federal Privacy Act will I personal information may also be shared wit interviews on NSERC's behalf.	embers (co-applicants and co am. The purpose of gathering e CREATE program's overall al information that is collect be shared with the CREATE p	ollaborators) and other ng this information is to generate performance. Only information ed, used and disclosed is in program committee. The
The Privacy Act gives individuals the right to incorrect information. For more information incorrect information, contact NSERC at CRE	or to access your persona	
I confirm I have read the NSERC Privacy N	lotice, and I agree with shar	ing my information with NSERC
CHECKLIST FORM OVERVIEW		
Students are responsible for conding an i	undated Paguiroment Charle	dist to dfn-admin@dfn ubs sa

- → Students are responsible for sending an updated Requirement Checklist to dfp-admin@dfp.ubc.ca every year by the end of the second term.
- → Items in the "Additional Data Collection" section are not DFP program requirements. However, DFP is required to provide this information in our report to NSERC to obtain further funding to support the program. Therefore, we kindly request that you complete the section to the best of your ability.
- → The **following format should be used** to write the term number: Sep-Dec 2021 or Jan-Apr 2022.

- → Students are required to complete CPSC 544 (3 credits) and CPSC 554K (3 credits).
- \rightarrow Students exempted from CPSC 544 need to provide the approval as an attachment to this form.

Core I: CPSC 544 Fundamentals in Designing Interactive Computational Technology for People: Taken in Term: or
Core 2: CPSC 554K DFP Project: Taken in Term:

DFP ELECTIVES COURSES (5 credits)

→ Students are required to take elective courses totalling 5 credits from the set of DFP-approved 1-3 credit courses in **advanced research methods**, **prototyping**, and **advanced topics courses**. An updated list of eligible courses is accessible on the <u>DFP Website</u>.
