

Cohort 5 (Academic Year 2021/22)

Designing for People (DFP) Collaborative Research and Training Experience (CREATE)

Requirements Checklist for DFP Graduate Students

Name: Department:

Student Number: Email address: Last Updated:

Students should fill out this form annually and email it to dfp-admin@dfp.ubc.ca (cc your DFP supervisor) by April 15.

PROGRAM REQUIREMENTS: OVERVIEW

→ The minimum requirements of the Designing for People (DFP) CREATE consist of:

CORE COURSES (6 credits) + DFP ELECTIVES (5 credits) + DFP PROFESSIONAL DEVELOPMENT COMPONENTS

→ Several requirements come together through the Core Courses, Electives, and the Professional Development. We advise students to plan out fulfilling all requirements when planning their academic year(s) and signing up for courses.

DFP CORE COURSES (6 credits)

→ Students are required to complete CPSC 544 (3 credits) and CPSC 554K (3 credits).

→ Students exempted from CPSC 544 need to provide the approval as an attachment to this form.

Core 1: CPSC 544 Fundamentals in Designing Interactive Computational Technology for People
 Taken in Term: or Exempt from CPSC 544 (skills inventory form & approval attached)

Core 2: CPSC 554K DFP Project
 Taken in Term:

DFP ELECTIVES (5 credits)

→ DFP students are expected to take elective courses totaling 5 credits from the set of DFP-approved 1-3 credit courses in **advanced research methods, prototyping, and advanced topics courses**. An updated list of eligible courses is available on our website: <https://dfp.ubc.ca/grad-training/program-requirements>
